

# ONLINE GIVING AT FAITH BAPTIST CHURCH

## How to Give Using Text-to-Give

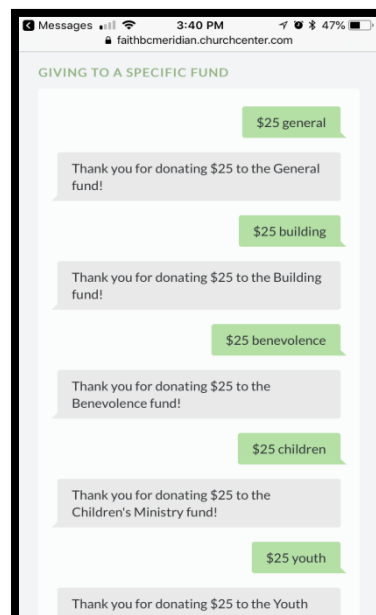

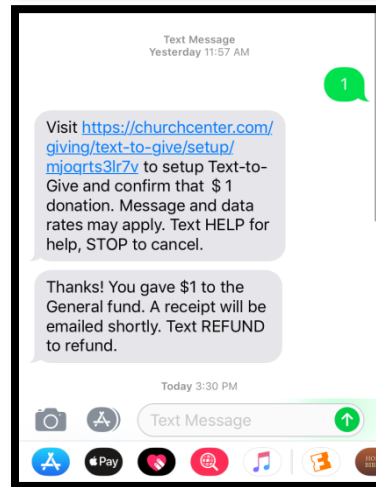

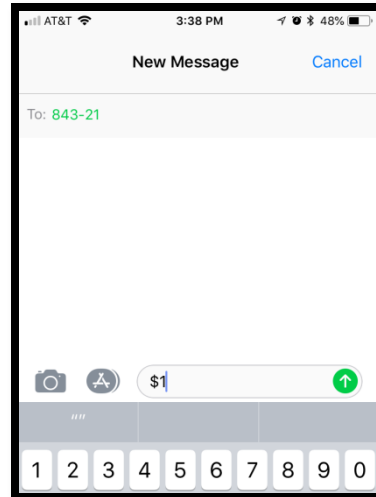

Using our Text-to-Give option is easy to use on any smartphone once you get set up! Simply text the amount you wish to give to 84321 (shown right). You do not have to include the “\$” in your message.

Once you have sent your amount to the number above, you will receive the first text message (shown right). Go to the link provided to set up your profile and credit/debit card information.

Once you have followed the set-up process, you will receive the second text message to inform you that your donation has been given. If at any point you need to stop the donation, simply text “stop” to stop the transaction or “refund” to refund the amount back to your bank account.

After this initial set-up, you may text to this number at any time, and you will simply receive the “thank you” text message to confirm your donation.

All donations are automatically donated to the General Fund. You can give specifically to other funds by simply texting your amount with a specific keyword that corresponds with that fund. For example, you can text “\$10 building” to 84321 to give \$10 to the Building Fund. Here is the list (shown right) of keywords for specific funds.

All credit/debit card donations cost a 2.3% + \$0.30 processing fee.

All ACH bank transfers cost a flat rate fee of \$0.25.

### How to Give Online (via Computer or Smartphone)

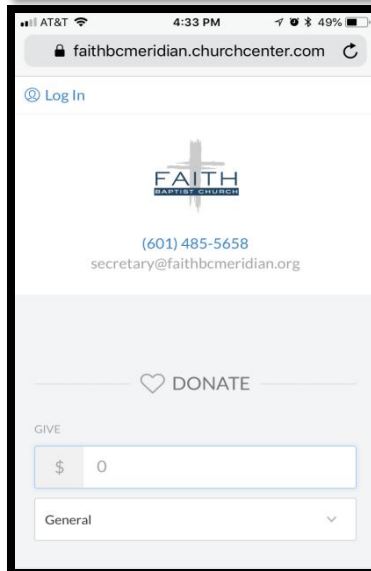

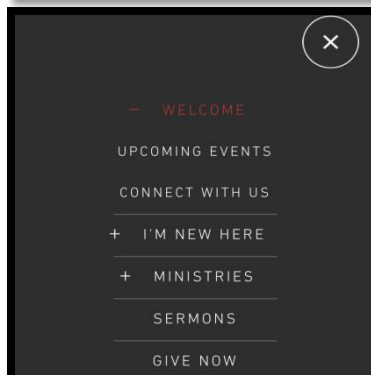

Using our new online giving tool is easy to use once you get started!

Simply visit our church's website at [www.faithbcmeridian.org](http://www.faithbcmeridian.org) and then click the "GIVE NOW" tab at the top right of your computer screen.

From a smartphone, click on the circle at the top right of your screen to access the menu, and then select "GIVE NOW".

Once you are on the "GIVE NOW" page (shown above), you will want to click on a small button that says "GIVE". After this, you will be taken to our secure donation page (shown right). On this page, you can give a one-time gift or set up reoccurring gifts via credit/debit card or ACH bank transfer.

Once you have typed in the amount and selected the fund to which you want to give, you will need to supply your email address, first and last name, and the way you want to give. To give via credit/debit card, simply provide your card number, expiration date, and CVC security code (on back of card). To give via ACH bank transfer, you can either verify your account by logging into your bank's website or by providing your routing and account numbers. **PLEASE NOTE: Logging into your bank allows for immediate giving. Using your routing/account numbers will require a 2-3 day set-up process in order to verify/connect to your bank account.**
